Fall Under Our Spell This 2019

Welcome back, Pioneer Band! We hope you enjoyed your summer, but it's time to get to work. This season is the start of yet another state year, and we'll need the hard effort of not only our students but parents as well. We'll be very busy and therefore it is important you keep up to date on everything going on. Please follow us on our social media sites, where we will be posting menus, schedules, merchandise, and more. See you Monday!
